## Consecration Sunday Is Coming-- October 9!

LUTHERAN

Congregations that approach financial stewardship from a biblical perspective do not view the money Christians give their church merely as a way to pay the bills. Rather, such congregations see financial contributions as a way to help people grow spiritually in their relationship with God by supporting their church's mission and ministry with a percentage of their incomes.

CHURCH

Our congregation's stewardship committee has selected the *New Consecration Sunday Stewardship Program* as a way to teach the biblical and spiritual principles of generous giving in our stewardship education emphasis this year.

MISSION

STATEMENT

*New Consecration Sunday* is based on the biblical philosophy of the need of the giver to give for his or her own spiritual development, rather than on the need of the church to receive. Instead of treating people like members of a social club who should pay dues, we will treat people like followers of Jesus Christ who want to give unselfishly as an act of discipleship. *New Consecration Sunday* encourages people toward proportionate and systematic giving in response to the question, "What percentage of my income is God calling me to give?" During morning worship on Consecration Sunday, we are asking our attendees and members to make their financial commitments to our church's missionary, benevolent, and educational ministries in this community and around the world.

## SHARING THE LOVE OF JESUS

Every attendee and member who completes an *Estimate of Giving Card* does so voluntarily by attending morning worship on Consecration Sunday. We urge people to attend who feel strongly opposed to completing a card. The procedure is done in such a way that no one feels personal embarrassment if he or she chooses not to fill out a card.

We will do no home solicitation to ask people to complete cards. During morning worship our guest leader will conduct a brief period of instruction and inspiration, climaxed by members making their commitments as a confidential act of worship.

Telephone:  
(559) 225-2092  
FAX:  
(559) 225-2093

We will encourage participation in Consecration Sunday events through the Consecration Sunday team and Stewardship Committee. Since we will make no follow-up visits to ask people to complete their cards, we will make every effort to inform, inspire, and commit everyone to attend Consecration Sunday worship.

## Taizé Prayer

*Taizé (Tay-ZAY) prayer is a style of Christian worship that combines song, scripture, silence and intercessory prayer. It often takes place in a candlelit setting around a cross. The style is based on the communal prayer of an ecumenical community of brothers in Taizé, France, whose lives are dedicated to living out the Gospel message of peace and reconciliation. The meaning and practices of Taizé have spread throughout the world. In Fresno, there are three locations that hold monthly Taizé prayer services. You are cordially invited to attend any or all of them. (see schedule below).*
